

# Largest Skill Deficits Are In “Soft Skills”

## Gap Between Importance of Skill & Workers' Current Skill Level (As Perceived By Employers )

Q17: You are going to see a list of skills and attributes that employees could have. Please rank how important each skill or attribute is for your employees to have right now using a 7 point scale. Q18: Indicate the level of your current employees' skills overall, for each of the following skills, using a 7 point scale. (Showing difference between 6+7s) 12
